

shall not be applicable. Documentary material must be of a size consistent with ease of handling, transportation, and filing. Large exhibits may be used during the hearing, but copies of such exhibits must be provided in reduced size for submission as evidence. Two copies of all documentary evidence must be furnished to the presiding officer during the hearing;

(9) Briefs may be presented to the presiding officer by parties who have entered an appearance. Three copies of such briefs shall be filed with the presiding officer within 10 days of the completion of the hearing; and

(10) Procedures for transcripts are as follows:

(i) All hearings will be transcribed. Persons interested in transcripts of the hearings may inspect them at the U.S. Department of Commerce in Washington, D.C., or purchase copies as provided in 15 CFR part 4, Public Information; and

(ii) Confidential business information as determined by EDA shall not be a part of the transcripts. Any confidential business information may be submitted directly to the presiding officer prior to the hearing. Such information shall be labeled Confidential Business Information. For the purpose of the public record, a brief description of the nature of the information shall be submitted to the presiding officer during the hearing.

§ 315.12 Termination of certification and procedure.

(a) Whenever EDA determines that a certified firm no longer requires adjustment assistance or for other good cause, EDA will terminate the certification and promptly publish notice of such termination in the FEDERAL REGISTER. The termination will take effect on the date specified in the Notice.

(b) EDA shall immediately notify the petitioner and shall state the reasons for such termination.

§ 315.13 Loss of certification benefits.

A firm may fail to obtain benefits of certification, regardless of whether its certification is terminated for any of the following reasons:

(a) Failure to submit an acceptable adjustment proposal within 2 years

after date of certification. While approval of an adjustment proposal may occur after the expiration of such 2-year period, an acceptable adjustment proposal must be submitted before such expiration;

(b) Failure to submit documentation necessary to start implementation or modify its request for adjustment assistance consistent with its adjustment proposal within 6 months after approval of the adjustment proposal and 2 years have elapsed since the date of certification. If the firm anticipates that a longer period will be required to submit documentation, such longer period should be indicated in its adjustment proposal. If the firm becomes unable to submit its documentation within the allowed time, it should notify EDA in writing of the reasons for the delay and submit a new schedule. EDA has the discretion to accept or refuse a new schedule;

(c) If the firm's request for adjustment assistance has been denied, the time period allowed for the submission of any documentation in support of such request has expired, and 2 years have elapsed since the date of certification; or

(d) Failure to diligently pursue an approved adjustment proposal, and 2 years have elapsed since the date of certification.

Subpart D—Assistance to Industries

§ 315.14 Assistance to firms in import-impacted industries.

(a) Whenever the International Trade Commission makes an affirmative finding under section 202(B) of the Trade Act that increased imports are a substantial cause of serious injury or threat thereof with respect to an industry, EDA shall provide to the firms in such industry, assistance in the preparation and processing of petitions and applications for benefits under programs which may facilitate the orderly adjustment to import competition of such firms.

(b) EDA may provide technical assistance, on such terms and conditions as EDA deems appropriate for the establishment of industry wide programs for new product development, new

process development, export development or other uses consistent with the purposes of this part.

(c) Expenditures for technical assistance under this section may be up to \$10,000,000 annually per industry and shall be made under such terms and conditions as EDA deems appropriate.
